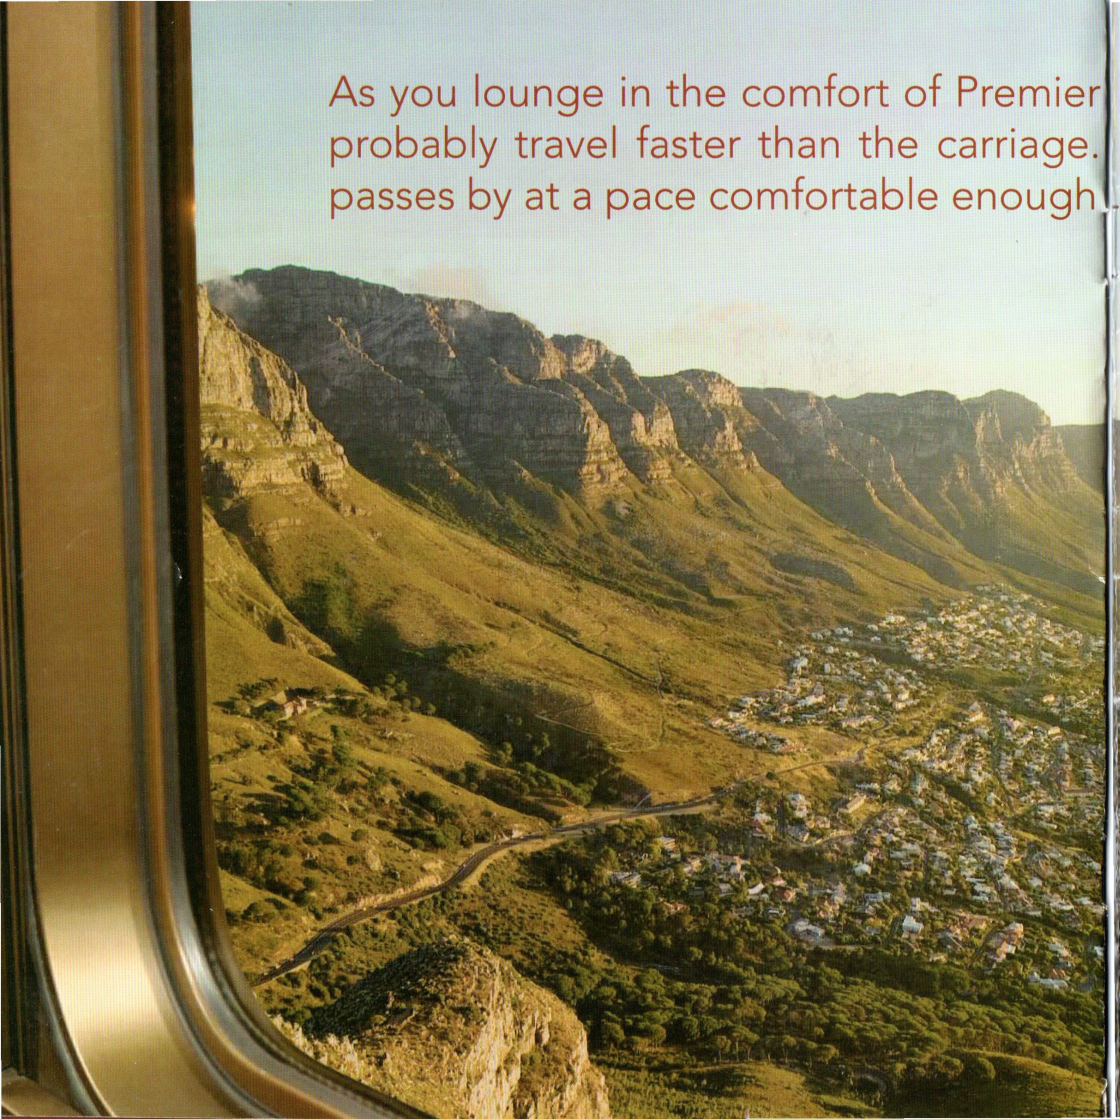
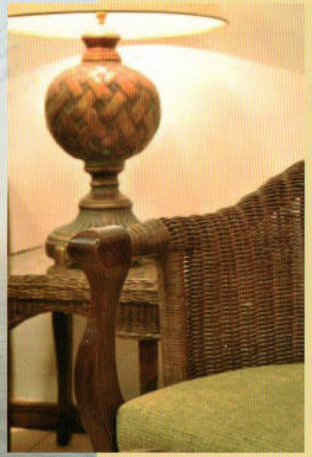
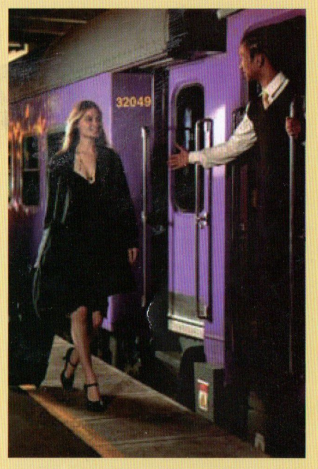
PREMIER
CLASSE
a journey that will live
in your memory long after
the trip has ended

As you lounge in the comfort of Premier Classe, your thoughts will probably travel faster than the carriage. From here the countryside passes by at a pace comfortable enough for contemplation.

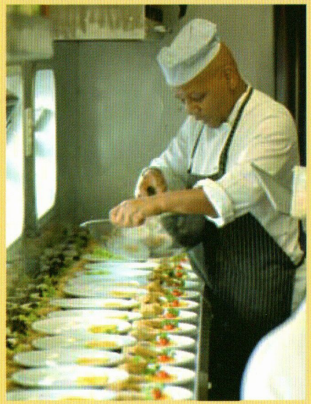


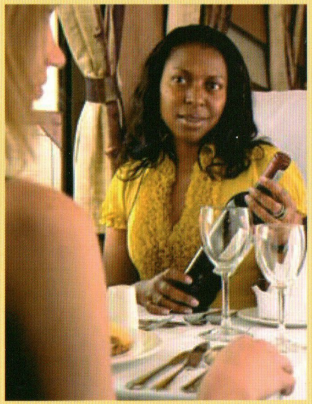




In our comfortable Premier Classe lounges, check-In is stress free. While you sip complimentary refreshments, your luggage will be ported to your compartment. All you have to do is enjoy the excitement anticipation of the luxurious journey ahead of you.

Landscapes filled with sunflowers or sun kissed corn. Fields of cattle and sheep lift their heads as you pass. Fields of wheat with heads that nod to the undulating hand of the wind, and inviting Cape vineyards growing alongside bergs and valleys.



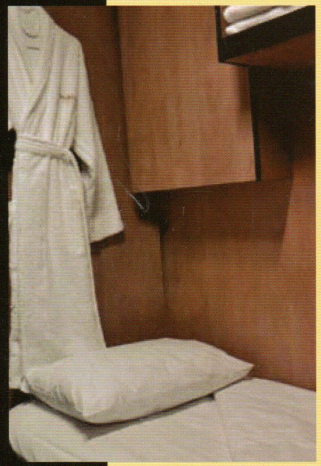


Our Premier Classe cuisine boasts the freshest delectable and tasteful fare from our lands, presented with refined elegance and gracious charm – and accompanied by a selection of South Africa's premium wines.

Catering for anything from a Bloody Mary to an ice-cold soft drink, whatever your taste in refreshment, the elegant interior of our bar will quench your thirst for style and relaxation – accompanied by on-board music, which reflects the moods as the day turns to night.

Your window to a world in one country will take you to places you've never been before – from rugged snow capped mountains to wide open plains to the crashing waves of the ocean side – and take your imagination to that place where the sun never sets.

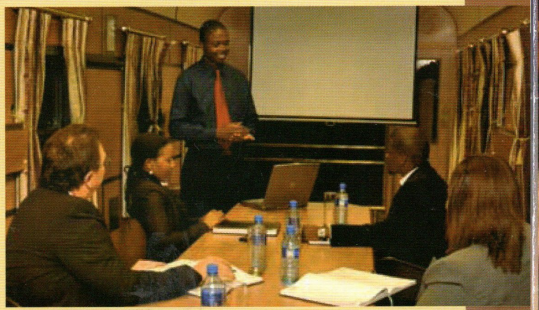
The lights of sleepy towns twinkle upon the horizon and then retreat softly into the night as your journey passes them by, peaceful and sedate, waiting for the first rays of dawn.

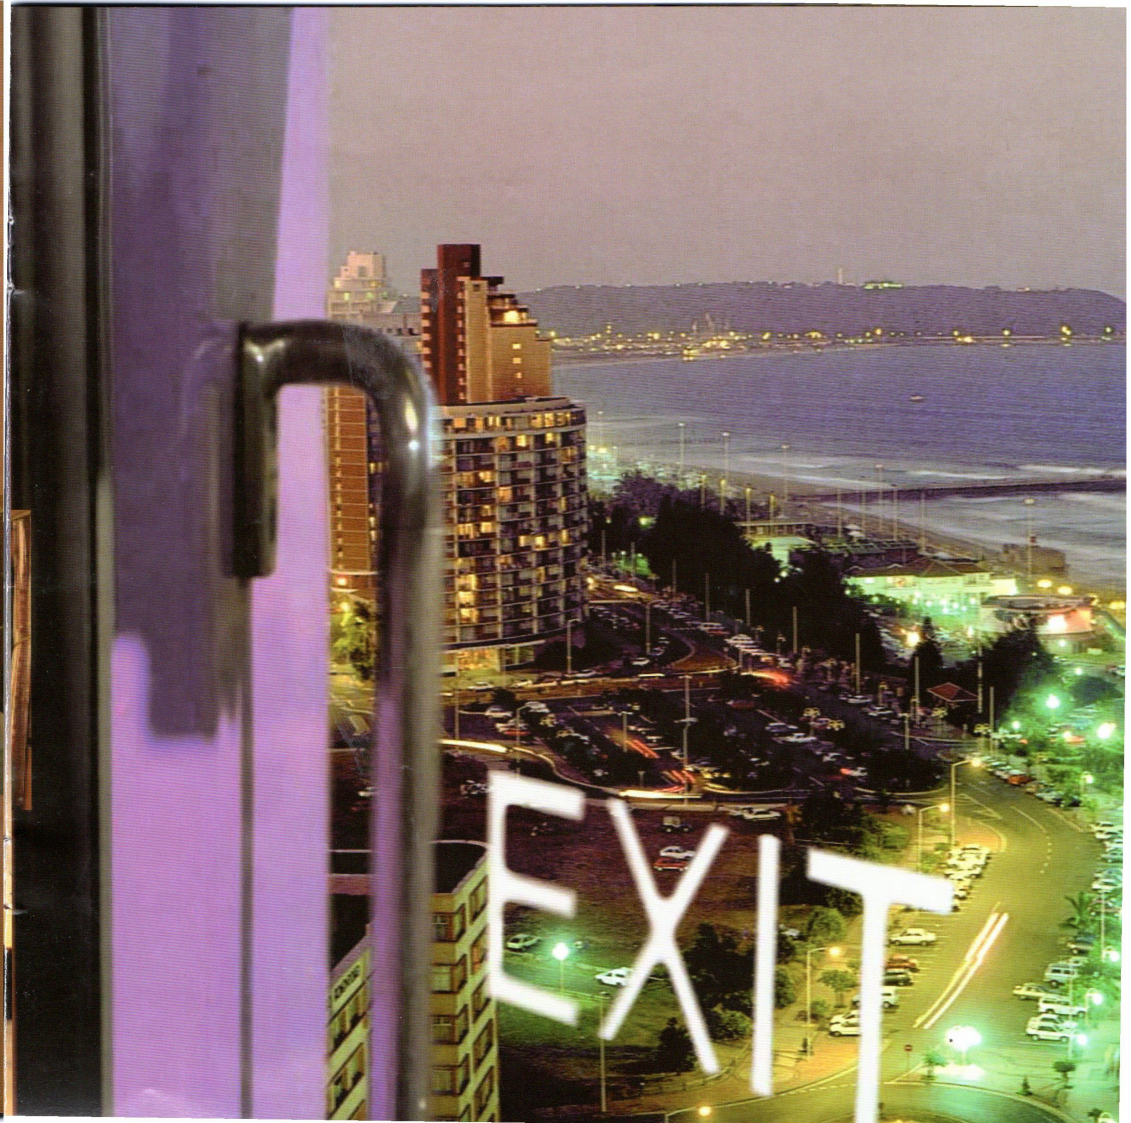


Spacious compartments, elegant nightgowns and crisp sheets wrap you in a cocoon of comfort as evening descends, a land of dreams roll past your window.

Should your journey be one requiring the mixture of business with pleasure, the professional yet relaxed ambience of our Conference Coach will make concentration simple

Professional facilities such as conference tables, chairs, a microphone and presentation screen will make hard work seem remarkably easy – in fact, you may be tempted to do business like this more often.





Wherever you travel, your journey will take you to destinations in South Africa that are as unforgettable as the journey itself.

No matter at which destination you arrive or from which you depart, a journey with Premier Classe will live on your memory long after the blow of the train horn signals that have you have indeed, arrived. And for your convenience, we've added special coaches that accommodate vehicles including 4x4's, allowing you to take your own vehicle with you.*
